Comments By Mr Marshall On the Top Bulls In Cruggleton Aspiration's Pedigree

Cruggleton Captivator won first and Casares Cup at the Highland Show and first and reserve champion to Cruggleton Beverley at the R.A.S.E., and Great Yorkshire shows, 1936, and was sold in the Argentine, 1937, for \$95,000. Sire, Cruggleton Essander 250076 by Cruggleton Colonel 236411 (winner of first prize R.A.S.E. show and first and champion Highland Society shows, 1930, he was the sire of Cruggleton Beverley, winner of male and reserve supreme champion Highland, supreme champion R.A.S.E., and Great Yorkshire shows, 1934, first and supreme champion Highland and male and reserve supreme champion R.A.S.E. show, 1935, and first and supreme champion Highland Royal and Great Yorkshire shows, 1936, and the sire of Cruggleton Borderer, reserve champion to him at the Highland show, 1936, and sold in the Argentine, 1937, for \$20,000.) Dam, Evana Clara 88516, by the famous 3000 guinea reserve Royal champion Collynie Royal Leader 188656, and grand dam by the 3300 guinea Balcairn Baronet 153566.

Bridgebank Rosedene was used successfully at Bridgebank and along with Captain MacGillivray's Calrossie Control, perhaps one of the best breeding sons of the 3000 guinea Collynie Royal Leader. He was the sire of six bulls sold in the Argentine in 1932 at an average of 760 guineas and he was also the sire of the supreme champion at the R.A.S.E. show, namely, Cruggleton Prideaux.

Bridgebank Paymaster, the greatest show bull on record, winning first and supreme champion at the Highland, Royal and Great Yorkshire shows. He was a son of the famous breeding bull, Gainford Ringleader, sold for 5000 guineas.

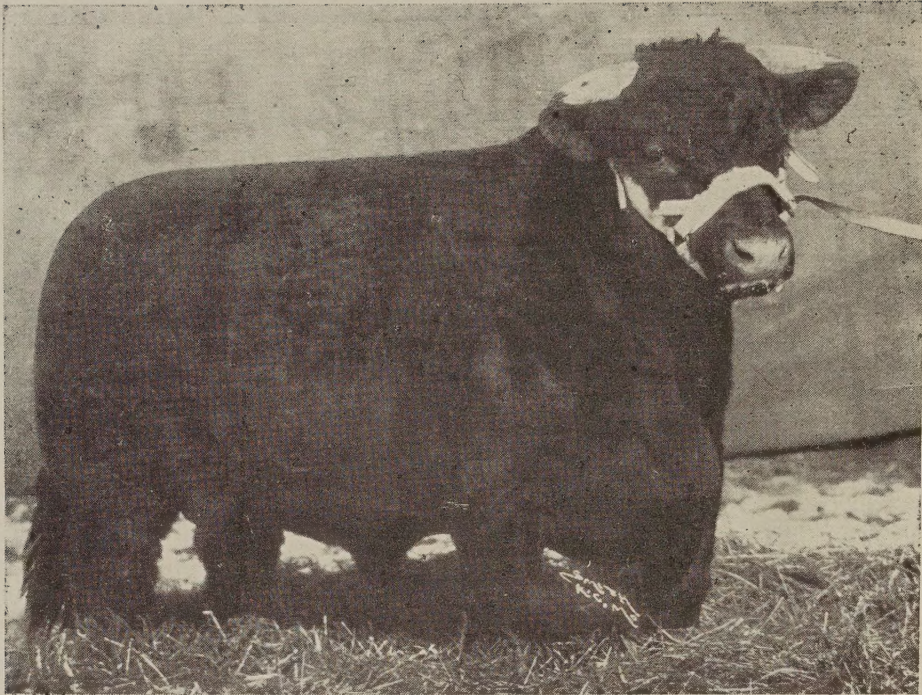

He Has Made Good at Sni-A-Bar

When we purchased Cruggleton Aspiration he was recognized as the best bull in Scotland of his age. Mr. Marshall, his breeder, has topped the Argentine sales of imported bulls on Cruggleton Captivator, his sire, and he considered Cruggleton Aspiration as the most likely candidate for like honors that he had ever bred. Cruggleton Captivator was the all time highest priced bull ever sold in Argentine — \$95,000.

Cruggleton Aspiration has proven all that we, or his breeder, Mr. Marshall, had expected of him as a sire of outstanding individual high quality in both bull and female get. They possess all the attributes essential to consistent breed betterment and show type, and a careful inspection of his get offered in this sale, and those we are retaining on the farm, will bear out this claim — and we invite you to inspect them critically. They are rich in the blood of Collynie Royal Leader. Quality plus this rich infusion of the "tops" in Shorthorn breeding of the present generation should satisfy the needs of any breeder. Great credit should be given Mr. Frank Harding for selecting and bringing to America such a great bull. His influence on American Shorthorns will be lasting.

Daughters of Cruggleton Aspiration have been producing great calves by Edelyn Campeon Mercury. Some of them selling in this sale.

Edellyn Campeon Mercury is siring some of the best calves ever dropped at Sni-A-Bar. Letters received from buyers of females carrying his service in our 1943 and 1944 sales are profuse in their praise of his calves in their herds. He transmits all that thick even fleshing quality that he possesses himself. As to his breeding, there's nothing wanting. A son of a Perth champion, himself an undefeated champion and acknowledged by knowing breeders as the best calf ever dropped in the Edellyn Farms herd is truly a recommendation that should satisfy the most discriminating student of Shorthorn breeding.

The grand champion bulls of the Ft. Worth, Texas, Spokane, Washington, and the Missouri State Fair, 1945, and the grand champion females at Ft. Worth and Missouri, same shows, were all sired by Edellyn Campeon Mercury. The get-of-sire classes at Ft. Worth and Missouri were also won by his get.

PRINCESS SUSANNA

Sire—Edellyn Campeon Mercury. Dam Gregg Farm Princess, by Cruggleton Aspiration. Grand Champion Female of the 1945 Denver, Ft. Worth and Missouri State Fair Shows.

The Females of This Offering

There are many daughters of Cruggleton Aspiration, bred to Edellyn Campeon Mercury, in this sale offering. The blood lines that produce grand champion cows are the blood lines that produce our best cattle for breed improvement, and the results pictured above, illustrates what you have reason to expect from purchases of the heifers offered in this sale. Everyone may not be a champion, but everyone does carry the breeding that is capable of producing a champion. In as much as these heifers are nearly all of this same mating, we feel that footnotes on each individual is superfluous. You will use your own judgment in your selections. Bear in mind, when making comparisons, that these sale heifers have not had the extreme show-fitting that Princess Susanna had. They are, in fact, counterparts of this great heifer in the rough, and their produce has every inherent right to mould as you see fit in your herds.
